FACULTY - STAFF - STUDENT TELEPHONE DIRECTORY

1967 - 1968

GENERAL INFORMATION

UNIVERSITY SWITCHBOARD: 321-0111

FIRE & OTHER EMERGENCIES: SECURITY DEPARTMENT: 321-1212

ON CAMPUS CALLS: Dial the 4 digit number in this directory.

INCOMING CALLS: Outside callers can reach your telephone direct by dialing the 7 digit number of your assigned telephone. These calls bypass the switchboard. *Example: 321-(and your assigned number).

OUTSIDE LOCAL CALLS: Listen for the dial tone, then dial "9". Listen for the second dial tone before dialing the desired 7 digit number. Note: Dialing before dial tone is heard, can result in your reaching a wrong number or your number may not ring.

TRANSFERRING INCOMING CALLS: Depress the receiver hook momentarily *one* time. This will give your operator a signal to transfer the call. Stay on the line and give the operator the name or number to which the call is to be transferred. Please remember to inform the individual calling that you are transferring his call to someone else, giving the name of the individual who is to receive the call. *Calls placed outside cannot be transferred.*

MEMPHIS STATE OPERATOR: Dial "0" to reach the University Central operator. The Operator will answer: "May I help you?" She will assist you in reaching an extension if trouble is encountered, or in furnishing information pertaining to the communications system.

TO REPORT A TELEPHONE OUT OF ORDER: Dial "9" plus "114".

Cover and Map by Peter Thomas.

This directory has been compiled through the efforts of the Student Center Office and the Data Processing Center. Information on faculty, staff and students reflects listings as they appear in the Records Office and the Data Processing Center. Any changes or corrections should be reported to those offices as appropriate. Changes in telephone numbers or extensions should be reported to the campus operator also.

This directory has been published by Plains Publications. Inquiries pertaining to this directory should be referred to:

Hoping for your name on the door someday?

Name on the door! Carpet on the floor! It can happen to you. Just keep your nose to the flintstone — keep sparking with those bright ideas. Meanwhile, consider a really brilliant idea from your New York Life Representative. It's modern life insurance for college students. It offers excellent protection now for the benefit of your parents and, later on, for the family you'll have. What's more, this life insurance can provide the ready cash (no questions asked) you may one day need to convert one of your bright ideas into a going business. Speak with your New York Life Representative before the term ends! There's no obligation, and someday you will be glad you did!

VERNON F. GAMBLE, Jr.
